✌ ABOUT ME

I'm Willy Prado, web developer. I started my studies (selftaught) in web development in June 2019 and I have gained experience in HTML, CSS, JavaScript, React among others(WordPress). I also have more than 5 years of experience in digital marketing; I love read manhua, eat chocolate, watch anime and draw. Co-organizer of Reactlaconf & Friends of Figma Medellin.

🎓 EDUCATION

LITERATURE
Universidad De Carabobo
2011-2016
